

GEORGIA SKY VIEW EQUIPMENT/SUPPLIES CHECKLIST

This checklist is to remind you of what you might want to bring with you to GSV – and once there, it will remind you of what you brought and want to take home. Just check off items as you pack them. (You don't have to bring everything on the list, of course; bring what you need (e.g., a sleeping bag), what you want (e.g., snacks) and what you have (e.g., binoculars, a telescope).
